Staff are also expected to present themselves in a manner that models exemplary standards for students. Dress must be suitable for the work required and appropriate for the professional, business environment.

In all cases, the Head of School will retain authority and exercise discretion regarding the oversight of personal comportment of staff and students and will guide and direct change for individuals should that be necessary.

- Jewelry must not present a safety hazard to any student, including the student wearing it.

Used Uniform Sales

At various times during the year, the Urban Academy PAX will have a sale of 'gently-used' uniform pieces at a reduced cost.

Labels

Please ensure all items are labeled with the student's name.

Non-Uniform Items

Wearing non-uniform items in school during school hours is not permitted. This includes lunchtime, gym class, study blocks, field trips, or before and after school while on campus. Such items as non-uniform sweatshirts, hoodies, running shoes, jackets, and hats are to be left in lockers during school hours. Questions regarding the suitability of an item should be discussed with your homeroom teacher in advance.

Home Clothes Days

On days where home clothing is permitted to be worn, it must be neat, clean, school appropriate, and free of large logos. All shirts must have sleeves for both boys and girls. Clothing must not be torn or have a faded or worn appearance.

Infractions

Urban Academy students are expected to wear their uniform with pride and dignity. It is to be complete on a daily basis. The following outline provides information on what parents and students can expect should a student come to school without their uniform completely or properly worn.

Please note that parents/guardians may not excuse students from following the Uniform Policy. Notes from home are not accepted or applicable to the situation of incomplete or inappropriate uniform. In exceptional circumstances, the school should be contacted or the student should, upon arrival to the school, see the Head of School to alert her to any short-term issues related to rectifying a uniform infraction.

1. Students in grades 4 and up will be spoken to by either their homeroom teacher or the Head of School to advise them of their uniform item needing attention. It is expected that the uniform infraction will be resolved the following day.
2. Students in JK to grade 3 are also required to follow the uniform policy; however, they will not be spoken to directly regarding a uniform infraction. Parents of students in JK to grade 3 will be spoken to by the homeroom teacher. It is expected that the uniform infraction will be resolved the following day.

3. Should the students in grades 4 and up not correct the problem on their own the day after being advised by their teacher or administration, the homeroom teacher will follow up with the student's parent. It is expected that the infraction will be addressed the following day at school.
4. Should students in JK to grade 3 not have their uniform infraction addressed by the parent, they will be contacted by the Head of School. It is expected that parents will address the uniform infraction immediately.

Should the problem persist, the parents will be asked to meet with the Head of School. Full uniform, properly worn, is a requirement of attending Urban Academy. Should the problem continue past this point, the student may, at the discretion of the Head of School, be asked not to attend classes until the issue is corrected.
