

Donor Levels & Payment Form

The Urban Academy Board of Directors have been working to develop donor levels in order to best acknowledge our families and committee members who donate funds to support all the additional programming we would like to see for our students. Families are also stepping up to support the development of the new school facility in various generous ways.

Please review the following donor levels and consider which level of community supporters is most fitting for your family. It is the expectation that all of our families make a contribution to our Annual Appeal at which ever level you are able.

Donor Level	Donation Amount	Donor Category
1	\$300-\$999	Community Stewards
2	\$1,000-\$1,999	Community Creators
3	\$2,000-\$4,999	Community Builders
4	\$5,000-\$9,999	Community Innovators
5	\$10,000+	Community Leaders

Please consider which of these levels are most appropriate for you as we continue to advance Urban Academy, and submit the remittance form below. Thank you!
